

Craven Safety Services - November 2020 Newsletter

Coming soon - Craven HR Services

In the next few weeks we will be launching Craven HR Services, so if you are struggling with HR, then Craven HR Services will soon be able to help. Dee Newton is getting everything ready, so watch this space!

Support for businesses

Leeds City Region Enterprise Partnership is providing advice and funding for small to medium businesses in Barnsley, Bradford, Calderdale, Craven, Harrogate, Kirklees, Leeds, Selby, Wakefield and York. Check out their website <https://www.the-lep.com/> for full details.

LEP are offering funding for reduced membership rates for the Federation of Small Businesses (FSB), the West & North Yorkshire Chamber of Commerce and the Mid Yorkshire Chamber of Commerce, with up to 75% off annual membership fees.

Fire Safety in Construction

The Construction Industry Advisory Committee (CONIAC) Managing Risk Well Working Group on fire has produced the [Construction fire safety: Responsibility and competence matrix](#) for fire safety in construction. Hosted by the Construction Health & Safety Group (CHSG), the purpose of the matrix is to identify and outline the roles and the responsibilities of those involved in fire safety and prevention on construction projects.

The document sets out the minimum knowledge needed for each role and has been produced to support the construction industry in defining the skills, knowledge, training and experience needed by each of the duty holders' roles.

Further information about CONIAC/CONIAN and its Working Groups is available from the [CONIAN web community](#).
